Editor-in-Chief Ray Lipps

Associate Editors:

Regina Lefevers

Mike Duncan

Through the intensive effort which has gone into the publication of the Lamp, the staff has become more aware of the forces governing youth today. The function of the Lamp has been to impart this awareness to the student body of Cumberland College, who have contributed to its realization. The staff zealously has striven to portray authentically the true spirit which has inspired Cumberland to indeed become the leader of the Appalachian Educational effort.

J. P. DUKE. JR.

The J. P. Duke staff dedicates its work to Dr. J. P. Duke, a most distinguished member in such a way as to bring honor to Cumberland College to its students and to its alumni. His pursuit in life is the growth of the College and the accomplishments of its students will remain a vital factor to the future progress of higher education and Cumberland. For this and many other reasons, the staff of the J. P. Duke Center dedicates Dr. Duke with affection and deepest respect.

To Cumberland College:

It was a great fortune to visit all of our Kentucky Baptist educational institutions during the 1969-1970 academic year. I was impressed by the outstanding service and rendering of these institutions for the advancement of the Christian faith. I had the opportunity to talk to students and faculty members, and to address the Christian Education Committee of the Kentucky Baptist Convention. I was also joined by Dr. Harold Sanders and the Christian Education Committee of the Kentucky Baptist Convention.

Standing: David Huff, Robert Daniel, William Ramsey, Dr. J. E. Croley, Gorman J. Roberts, J. D. Johnson, Seated: I. E. Mahan, Dr. Charles Freeman, Charles Buhl, E. E. Siler.

The 1970 annual staff has worked diligently to produce this book, something that will be a source of pleasure to all the students of The College. I, personally, want to express my appreciation for the effort put forth by the members of the yearbook staff.

I extend my congratulations to all of those who are finishing their work during 1970. We shall value your continued friendship and we extend to you our best wishes as you continue to serve God, man, and society.

OFFICE OF THE GOVERNOR
FRANKFORT, KENTUCKY 40601

LOUIE B. NUNN
GOVERNOR

TO CUMBERLAND COLLEGE

One of the strengths in the system of higher education here in Kentucky lies in the dedication, innovation and imagination of its private colleges.

Nowhere is this strength more apparent than in the accomplishments of Cumberland College throughout its 82-year history.

By providing a sound liberal arts education for those whose high aspirations might otherwise be thwarted by circumstance, the College has enriched the lives of thousands of Kentucky young people. Its programs have served well in opening the doors to advancement and success through education and technical training.

As Governor of the Commonwealth of Kentucky, it is my sincere hope that Cumberland College will continue to flourish and that it shall continue to symbolize the realization of human dreams and aspirations.

Sincerely,

LOUIE B. NUNN

Cross Country: Titles Galore

With one of the finest teams in the school's history, the Cumberland Indians were again one of the top small college teams in this section of the country.

Led by senior Robert "Rabbit" Moore the Indians captured team titles in the Southern States, K.J.A.C., and N.A.I.A. District 24.

The season was wrapped up with the National Championships where the Indians placed 13th.

Track

Suffering through a dismal season with injury after injury the Indian track stars finished second in the K.I.A.C. and third in the District.

Bright spots for the year were Captain Tim Henderlight and middle distance runner Mike Denny. Tim set school records in the 3 mile (14:37.1) and 6 mile (30:50.2) while being ranked fourth in the nation in the latter event. Mike showed great promise with school records in the 880 (1:54.8) and 1 mile (4:14.5).

The team won the K.I.A.C. season championship for the fourth straight time and also won the K.I.A.C. Tournament (third straight time). The team advanced to the District 24 N.A.I.A. Playoff and beat Milligan, David Lipscomb and Christian Brothers for a berth in the National Championship (N.A.I.A.) which was held in Liberty, Missouri, June 8-12. The team was composed of Jim Siler (Soph.), Maryville, Tenn.; Jerry Jones (Sr.), Scottsburg, Ind.; Clayton Ray (Sr.), Harlan; Bob Bennett (Frosh.), Aurora, Ind.; and Garland "Bo" Robinson (Jr.), Williamsburg. Jim Siler was medalist at the K.I.A.C. Tournament and the district playoff in 1969 and 1970. The team placed 13th in the National Tournament and Siler made the second All American Team.

The tennis team enjoyed another successful season in 1970. During the regular season against top flight competition, Cumberland had a near 500% record of 11 wins and 12 defeats. This effort against top flight competition prepared them for tournament competition.

Cumberland was K.I.A.C. champions as we scored 21 points and the nearest rival was Berea with 15 points. From there the team competed in district competition and finished runner-up to Carson Newman.

Individual honors were compiled by:

Tom Buckley No. 2 Singles Champion KIAC

Bob New No. 3 Singles Champion KIAC

Bob Riley No. 4 Singles Champion KIAC

Bob Riley and Ken Clendaniel No. 3 Doubles Champion KIAC

Although Cumberland has only been a member of the Kentucky Intercollegiate Athletic Conference for four years, the baseball team has won the conference championship three times and finished second once. After capturing the K.I.A.C. crown last year, Cumberland advanced to the N.A.I.A. District 24 finals, only to be defeated by a strong Carson-Newman team.

Coach Walter Mathes expects once again to field a superior team this year. Returning lettermen such as Don Beach, Ken Couch, C. W. Mayes, Jerry Hodges, Bill Perkins, Tony Chamberlain, Larry Gates, Donnie Haines, Larry Roberts, and Steve Coulter will comprise the nucleus of the squad. Depth will be provided by freshmen and transfer students such as Merle Albright, Jim Duckworth, Shirl Johnson, Ron McIntosh, Allen McGraw, Terry Stigall, Jerry Wilhoit, Bud Roberts, Doug Cockran, and Mike Wells. Coach Mathes hopes that this team will be able to bring another K.I.A.C. championship to Cumberland.

Finale

We have reached the last pages and those of us who have completed this book are left in an apologetic position. Not for this, the 1970 Lamp, but for the time element which forced us to produce so much in so short a time period.

We live in a time of great student involvement and we have attempted to depict a part of it. Those categories which you find missing from this annual are not missing by design, rather because of loss, and we recognize that it is a great loss to posterity.

As students, we have made some of the problems which are confounding society. On the other hand, as students, we have eradicated some of the problems which have worried our predecessors. While desiring an education in the college community, we have likewise desired justice and fairness in the greater realm of society.

It was in this implicative spirit that we devised these final following pages.

For your spirit in the acceptance of this annual without your knowledge of the trials and tribulations encountered in its fulfillment, we are grateful.

"You're not going to believe this".

This Here Is Cumberland College Suh!

It's way down here among the hills of the Cumberlands, where the scent of honey-suckle and pines fill the cool evening air. It's the land of antebellum columns and mountain breezes, and long time ago, we done decided there ain't no place like this'en. Cause only here can you lean back so comfortable after the sun sets on the river, cast away all those worldly cares, and listen as the hot-rods sing in the moonlight.

The rush was on Promises,

Promises,

And

More

Promises

"Wait till next year,
better get your offer

"I bet basketweaving is closed
by the time I get in."

Do you know what it's like?

--And I want you lovely belles--you sons of the Ole South--and you Yankees, too--to come along with me through the "halls" and reminisce a bit about your year during 1969-70. So sit a spell with me here on the verandah of Old Mahan Hall, relax and let's recall--

organized...

and
ostracized

"We told him to
use dial."

"Being President is hard work."

"How I
think I
know
where
the dorm
is."

"You will
help me
at night?"

'Tis Not for
knowledge
that we
come,
But classes
started
anyway--

Some use the Library—
Some depend on
other points—

"I heard that lecture last semester."

"I have been known to tutor at night"—"Have you seen the Spanish flick at the Drive-in?"

"Dinner with him—on the spoon—he's cute"

"He must waste all his time—I've seen him in here six times today"

Other Campus Activities Forgotten As Homecoming Approached

"If you don't like what I say you can leave."

Exams came——
and we went

"See that cheerleader over there."

"Don't tell me you got the exam."

"Tell No. 1 he just came out of the building with
the exam."

"What am
I doing
here?"

Elections
came—

"An if you vote for me"—

And that about concludes our year and what a time it was! I
hope you to recall these fond memories again and again, and I bid you
farewell at this point.

The Very Last Word

Now that everyone has been repulsed, maybe you can revive yourself enough to read this "Last Word" and be repulsed again and again.

Our year at Cumberland has been unique in many ways. Everything from the coming of the slaves to the emancipation of the candidates for the Student Body President.

Our year started with a bang as every year at Cumberland does. Registrar reported, on one of his many visits to the campus, that 1800 went through registration. Only three missing, two mutilated, and one dead from starvation while standing in line. President Boswell stated that four new poverty-seeking professors signed with Cumberland—Coach revealed that he had twelve new players with lucrative expense accounts—Wigwam manager reported human hand found in coffee—Cafeteria staff—thirty-two different ways of naming hamburger and twenty-five ways of making it taste worse—Post Office personnel announced new open proof windows installed—Downtown laundry announced the installation of their one-thousand dollar Button Crushing Machine—Maintenance Dept. stated new mud roads installed after pavement washed away in Monsoon Season—Dean of Men, along with the members of the R.A.
